

Sandy:

It was nice speaking with you today. Please excuse the casual nature of this note but things are rather hectic here.

Enclosed the the discussed "logo strip". Let's try to incorporate this into your poster format. If I can be of any help to speed the completion of the posters, please don't hesitate to ask. I will need an ETA from you as well as an estimate and billing procedures. I wish that we could avoid up-front monies but, c'est...

Once the posters have been printed we have to ship them from L.A. to NYC. Is it possible to have the printer fold the posters prior to shipping? In any event, they then have to sent out to over 300 locations..

I look forward to working with you on this project and hopefully many more. Time is of the essence so let's stay in touch.

Best regards,
